What Training Looks Like!

Our world of training at Child Care Choices has changed greatly since April of this year when we began holding our training classes on a Zoom platform. As trainers we have missed seeing you, our child care providers, face to face at our trainings. While Zoom does allow us to see you and to interact with you it is not really the same as in person!

We would like to extend our heartfelt thanks to the many providers who have taken Zoom trainings with us and given us grace and patience as we have worked through quickly learning a new way to train. At this time we will be continuing to provide you with our trainings by way of Zoom for the foreseeable future.

For information on how to use Zoom, please visit their support page. Here you will be able to find videos on how to join a meeting, the controls for the meeting, closed captioning and how to add the training to your Outlook or Google calendar.

This Primer contains the remaining classes being offered by Child Care Choices in June, and all trainings that will be offered in July, and August. We would love to have you join us in a few Zoom classes this summer!

You can register for our classes by calling 301-662-4549 or 410-751-2917, as well as going online to www.childcarechoices.info.

We look forward to seeing you soon!

Do you have questions regarding training requirements and options? Support is still available for your professional development.
